1,000 LBS CORROSION INHIBITOR

70 GALLONS BIOCIDE GWS PURIFIES WATER WITH ELECTRIC FIELDS instead of chemicals

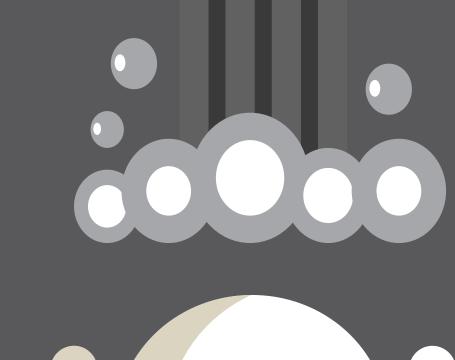

WITH AUTODESK IOT, GWS IS ABLE to remotely monitor cooling tower and send notifications FOR PREDICTIVE MAINTENANCE <section-header><text>

GWS remotely monitors water towers with IoT & then purifies water with electric fields vs. chemicals

MOST IMPORTANTLY... SAVE LIVES

Chemically treated water **SO TOXIC** when discharged, **IT CAN'T BE REUSED FOR GARDENING OR TOILETS**
